DEDICATION . . .

The WHA HWA HTA SEE staff proudly dedicates the seventieth edition to Mrs. Beverly Joiner in honor of her hard work and contributions to Winter Haven High School.

Upon graduating from high school, Mrs. Joiner attended Troy State and earned her degree in Social Studies. She has taught psychology here for five years and has also been a sponsor of various activities, including cheerleading, Pep Club, Drama Club, and Senior Class. In addition to these activities and responsibilities, Mrs. Joiner makes time to listen and counsel with her students.

In her spare time, Mrs. Joiner is an active member of St. Josephs Church, enjoys raquetball, water skiing, and cheerleading, and loves spending time with her husband and two children.

"Mrs. Joiner, thank you for all of your unselfish dedication to Winter Haven High School — it is deeply appreciated."

Dancin' Devils

The 1986-87 school year brought many dances, each sponsored by a class or an organization. The dances included a Splash Dance sponsored by the Junior Class; the Howdy Dance sponsored by Student Council; and the Fifties Roach Dance sponsored by the Senior Class. The dances provided fun and excitement for all W.H.H.S. students who attended.

Boys' and Girls' State

L. to R. Katie Downey, Mary Sue Cameron, Delana Vendrick, Laura Dunson.

During the summer, selected students of the Senior Class attended the Florida American Legion Boys' and Girls' State Convention. Girls' State participants were judged on their speeches on Americanism and the Boys' State participants on their personal interviews. The convention, at Florida State University in Tallahassee, gave insight to each student into American government. The students participated in elections, voting, and campaigning.

1986-87 W.H.H.S.

The 1986-87 WHHS Calendar was sponsored by Video Productions. Clubs, organizations, and homerooms could nominate couples. After the couples were nominated, the student body voted for 13 couples and the top 13 were selected. The couple with the most votes was placed on the cover. Each winning couple was presented at the first WHHS home football game.

Dream Girl

The 1986-87 Dream Girl Pageant was a great success. It was held at the Chain 'O Lakes Complex Theater in May, 1986. Thirty girls vied for the title of Dream Girl. The theme of the pageant was Olympian. The stage featured scenery indicative of Roman culture. All the girls competed in sportswear, talent, and evening wear. The highlight of the evening was the announcement of the court and the 1986 Dream Girl, Mary Sue Cameron.

Notables

The 1987 Junior-Senior Prom was held April 10, 1987, at the Walt Disney World Contemporary Hotel in the Ballroom of the Americas. The theme for prom was "An Evening in Camelot," which was selected and kept secret by the Junior class. The decorations centered around the theme and each guest was greeted by the Sophomore prom pages, who were dressed in Camelot attire.

In February of 1987, the entire Senior class voted on the Senior Notables during their English class. The highlight of the evening was the announcement of the notables.

As the night came to an end and seniors were realizing that their year was almost over, the last song of the evening was "Friends," the traditional closing song for Prom.

The A-Team, the A standing for academic, is a scholastic group of six students participating in a total of four meets during the year. This is the second year of the Academic Team. The team competes with other high schools in Polk County. The members are selected by elimination of points acquired by the practice meets that occur every week in the fall and winter. Last year the A-Team won the county title. The 1986-87 Team placed third in the district. These students represent W.H.H.S. in academics and we are very proud of them.

FOCUS
on Academics

Gorman Ayers, Principal

Mr. Ayers was made principal of WHHS in the fall of 1983. Since then, many new facilities have been added to our school, including the new science wing. Since the arrival of Mr. Ayers, WHHS has surged to new heights of excellence in academics as well as athletics. WHHS is proud to have such an outstanding, motivated principal.

"I Love my job!"

The Guidance counselors of Winter Haven High School do their very best to make school more pleasant for their students. The department is responsible for student accounting, student counseling, reports to parents, student admission and orientation, testing, and for providing additional help for educationally and physically handicapped students.

Mrs. Kehoe helps a student with research.

"Who me not going to Europe . . . Psyche!"

The primary objective of the Media Center is to implement, enrich and support the educational program of the school. To meet the needs of students as individuals and as members of the class groups, access to the Center is provided by an open policy scheduling. Students are also given time before and after school as well as during lunch periods.

The implementation of the library management program has increased the speed and efficiency of circulation, provided for individual homeroom overdue notices, initiated bibliographies and made simple the automated end-of-year inventory. Many resources are being added not only to support the educational program but to encourage students to "take time to read for enjoyment."

Scholarship, college, and career guidance are given to those students who wish to continue in the arts.

This department specializes in individual instruction for the students to help them receive their high school diplomas. Special attention is given through teaching in small groups and on a one-to-one basis.

Compensatory English works to improve the student's communication skills needed to assist them in everyday life. This course covers writing skills as well as the completion of important documents including business letters and checks.

Compensatory Mathematics is a part of the State Compensatory Education program and provides remedial instruction in functional literacy skills and/or basic skills in mathematics for those students who need special educational assistance.

The Agriculture Department strives to make students aware of the needs of the economic, social, and geographical background of citizenship. The teachers of the Foreign Language Department have recognized the importance of stressing bilingual communication, and strive to provide their students with the best education possible. This is accomplished by teaching not only speaking skills, but reading, writing, and listening skills as well. In addition, they promote an awareness of the differences in the cultures and people of different countries.

The Big Blue charged into the season!

Varsity Football

W.H. vs. Lakeland

The young Winter Haven team began its season battling the Lakeland Dreadnaughts. Tailback Darren Berrian, who later had the longest run of the game, sent the opening kickoff almost to midfield. Quarterback Robert Shipman scored on a six yard run at the end of the first half; Matt Jantomasso kicked successfully for the extra point. The second half began 17-7, but the Devils were unable to score again. Lakeland won with a final score of 38-7.

W. H. vs. Tampa King

The gridder's improved offense and alert defense led the Devils to a tremendous victory over the Lions with a score of 33-12. Robert Shipman put the Devils on the scoreboard in the first half with a 50 yard throw to Kelvin Paige deep in the end zone and a 65 yard touchdown pass to wideout Daryl Frazier. Darren Berrian, Junior Bird, and Tony Campbell also made touchdowns. Kickers Scott Sheplee and Matt Jantomasso were good for three extra points throughout the game. Tampa was only able to get two touchdowns and the Devils were victorious.

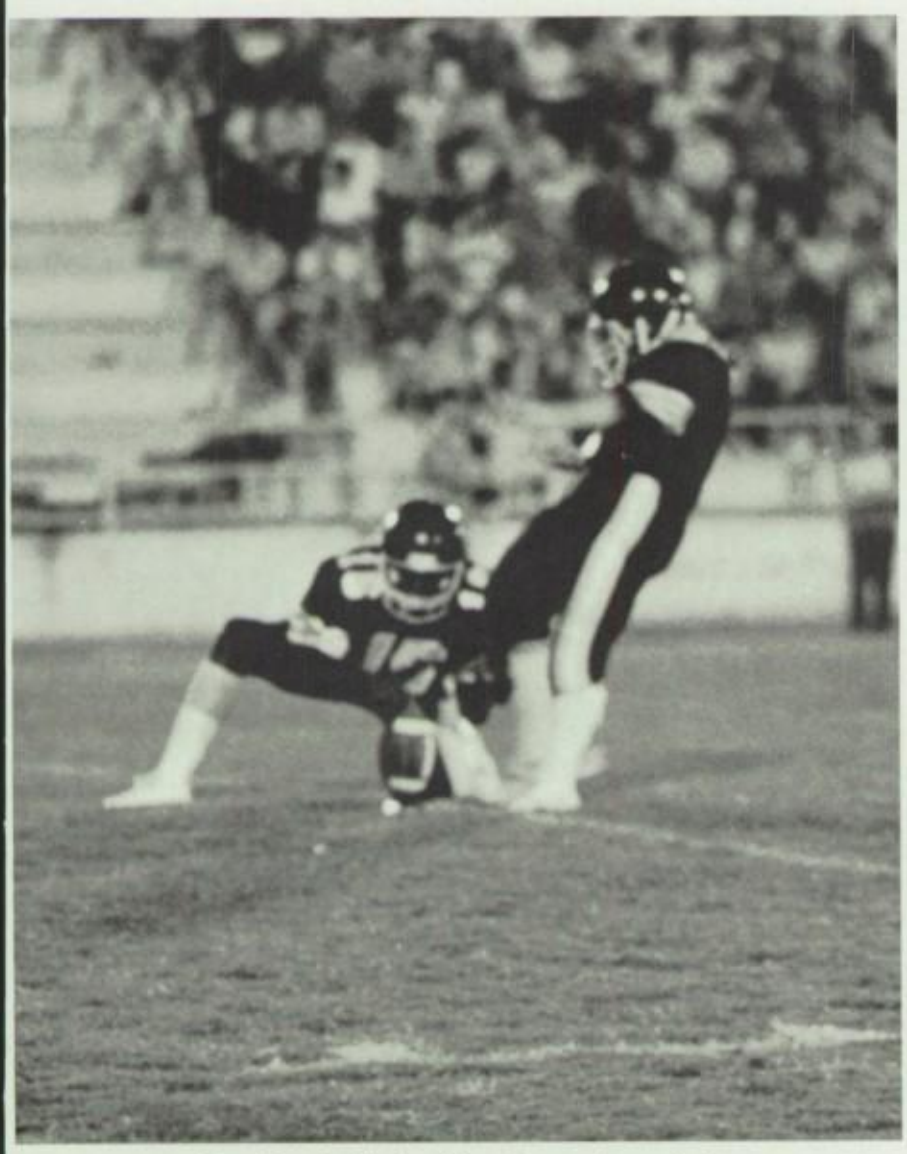
Last minute instructions.

W.H. vs. Hillsborough

The Blue Devils shut out the Terriers in Tampa with a score of 14-0. The game got off to a slow start until the second half when Darren Berrian caught a pass from Robert Shipman and scored from the two yard line for the first touchdown. Kelvin Paige made the next and final touchdown by making a spectacular catch in the end zone. The Terriers failed to score as our defense, led by linemen Kelwin Cuyler and Leon Embry and cornerbacks Ephriam Stubbs and Leslie Glenn, guarded very well.



The Devils kicked for the extra point.

W.H. vs. Brandon

The Devils faced the well-prepared Brandon Eagles at Denison Stadium. Winter Haven got off to a bad start and by halftime the Eagles had succeeded in getting three touchdowns. The Devils played good defense after that, and did not allow the Eagles to score again. Unfortunately, the Devils were unable to recover and lost the game to Brandon, 21-0.

Varsity Football

W.H. vs. Ocala Forest

The Devils were victorious over Ocala Forest. Late in the first quarter, Junior Bird scored and in the third quarter Darren Berrian ran for an explosive 79 yard touchdown. Leslie Glenn recovered a fumble near the end of the game and ran to the end zone. The Wildcats were unable to get on the scoreboard, and Winter Haven won with a score of 21-0.

Dreams of being a Rockette.

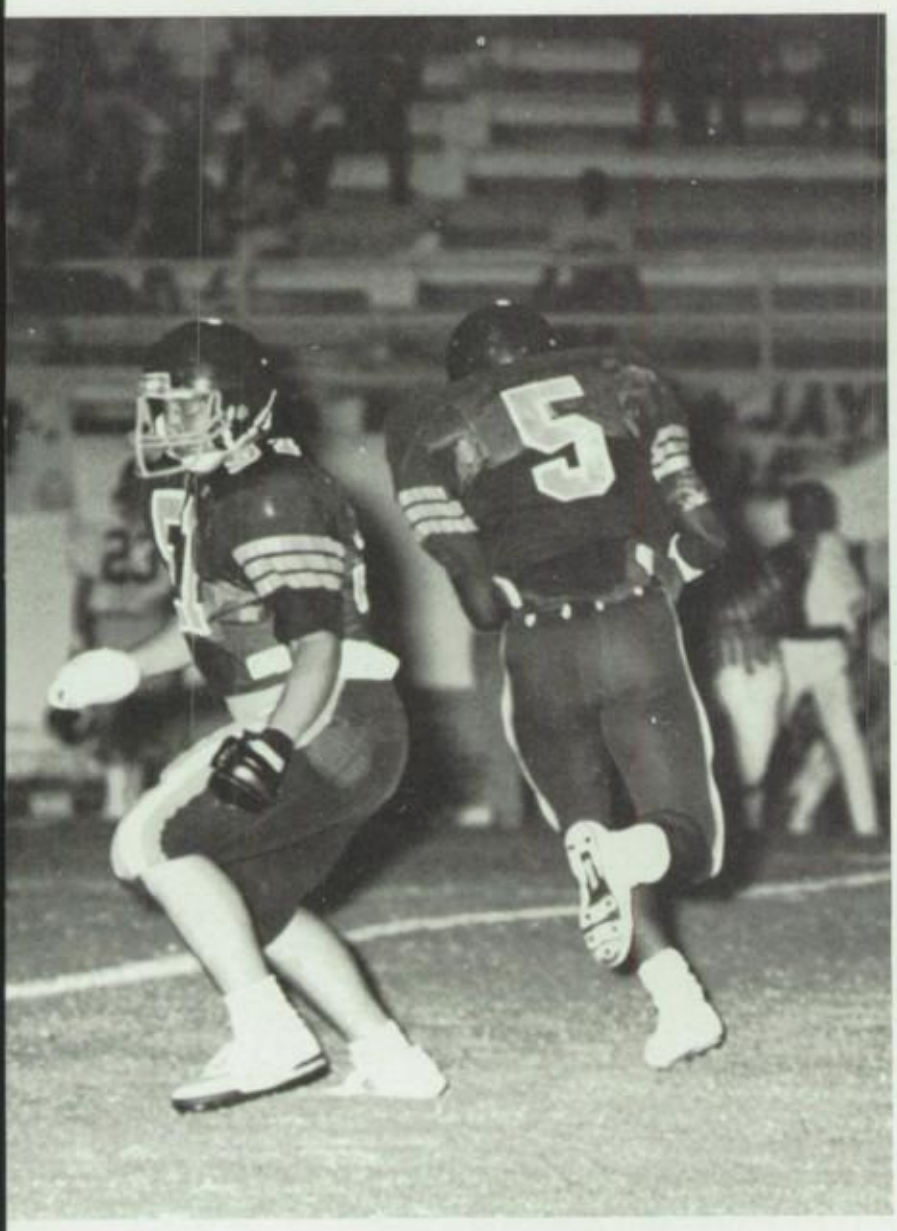
W.H. vs. Kathleen

Winter Haven led the entire way through this close-scoring game. The Blue Devils took a two-touchdown lead with ten minutes left, and then withstood an all-out passing attack by Kathleen. The Red Devils kept the game exciting, but Winter Haven emerged victorious.

"Hey, I don't have the ball, he does!"

W.H. vs. Armwood

This enormous victory over the Hawks gave the Devils a 5-2 overall record. The defensive unit, which included Steve Fountain, Leon Embry, and Greg Giannamore, kept Armwood at only 27 yards rushing. Winter Haven had a 19-0 lead at halftime and then added more points to take the game 39-8.



"Where did he go?"

W.H. vs. Lake Gibson

The Blue Devils were tied with the Braves at the end of regulation 22-22. In overtime, Ephriam Stubbs intercepted a pass, and Darren Berrian scored from the one on the fourth play, with Matt Jantomasso kicking the extra point. Winter Haven came out on top in this great game and had a 29-22 Homecoming victory.

W.H. vs. Plant City

The Blue Devils defeated the Raiders in a heavily penalized game of more than three hundred yards. Despite the penalties Robert Shipman connected with Kelvin Paige for a touchdown, and later threw a 49 yard touchdown pass to him. Matt Jantomasso kicked a field goal, sealing the victory. Ephriam Stubbs had 2 interceptions and Kenny Brokenburr had a touchdown which was later nullified by a penalty. Winter Haven was victorious, 23-6.

"Want to dance?"

W.H. vs. Auburndale

Winter Haven met their archrival team, Auburndale, on the twenty-second of November. The Devils worked hard throughout the game. Shipman threw to Kelvin Paige who made a twelve yard touchdown. Matt Jantomasso kicked the extra point to cut the lead to 10-7. The pressure was kept on, but it was not enough to surmount the accumulating score of the Bloodhounds, who made one more touchdown to take the game 17-7. Winter Haven ended the season with a respectable 7-3.

There are a lot of things that our hamburgers just aren't good for, we realize that. For instance, we know that our Quarter Pounder® sandwich will never break the land speed record at Bonneville. We can assure you that our cheeseburger just won't make comfortable, therapeutic footwear; and we're quite certain that the Big Mac® sandwich, if integrated with your component stereo system will not enhance the total sound quality. So what are we trying to say? That our hamburgers are good for one thing, and that's you.

Class of '87

To Beau,

When you were just a little guy,
Your most important word was "why."

"Because I said so," was one of my replies,
And you'd look up at me with those big brown eyes.

Through growing pains, broken leg, and stitches,
We sailed on together and conquered all hitches.

Numbers 1 and 16 were important to you,
A part of the team for your school, "Big Blue."

One phase of your life is ending this year,
And with it I wish you luck and good cheer.

You have made me so proud time after time,
With a special hug or a look that's just mine.

Where ever life leads you, whatever you do,
Always remember that I love you.

FOCUS . . .

In this edition of the WHA HWA HTA SEE we are focusing a spotlight on all the people, places, experiences, challenges, and memories that have made these high school years so special.

First we would like to thank Bryn-Alan and their dedicated photographers, Charlie and Larry, who were there whenever we needed them. Next, we would like to give a special thanks to Jim Bolin, of Taylor Publishing Company, for all his creative ideas, guidance, and just for brightening up our day when he came for a visit. We would also like to thank our hard-working staff and artists Jimmy Tuttle, Daniel and Neriel Rosario for devoting their time to this year's annual. Last, but surely not least, we would like to give our most sincere thanks to Mr. Jim Cox, our advisor. We could not have put this yearbook together without all of his patience, guidance, care, and concern. We would also like to thank Mr. Cox for being such an understanding person and a close friend.

Each of these people deserves a spotlight of their own for being the special people that they are.

This *year* also deserves a spotlight of its own. So as the years go by and we glance through this book of memories again, we can really *FOCUS* on the "good ole days of '87!"
